In the event of cancellation due to the previously stated factors in the above paragraph, the participant will be offered a full refund, less non-refundable expenses incurred by the organiser, or deferral to the following year.

The organiser reserves the right to change the date of the event. In the event of such a change as date of the event, and if the participant is unable to attend on the revised date, they have 14 days to inform the organiser in writing from when the change in date is announced to receive a refund of their entry fee (excluding the 6% online booking fee).

11. Children Under 18

Tidworth 10k

In accordance with England Athletics restrictions, the minimum age for entry for the Tidworth 10k is 15 years of age on the day of the race.

Children Under 16

For children under the age of 16, a parent /guardian must always be present (although not necessarily participating themselves) at the event a child is participating in. Without a parent or guardian present, the child will strictly be unable to participate in the event.

If the parent of a child under 16 is participating independently of their child in the Tidworth 10k they will need to arrange for a responsible adult to be present on their behalf.

By entering the event online, agreeing to the parental consent at entry, and paying in advance, parental/guardian permission is assumed.

All sports are, by their nature, unpredictable, and therefore inherently involve an element of risk. By allowing their child to participate in the event, the parent/guardian of the child agree and acknowledge that:

- i. They are aware of the inherent element of risk involved in the event undertaken and accept responsibility for exposing their child to such inherent risks.
- ii. They are satisfied that their child has the necessary skill and knowledge to take part in the event and to deal with conditions that may arise in the course of the race;
- iii. They will not allow their child to participate in an event whilst under the undue influence of alcohol, drugs, or whilst otherwise unfit to participate;
- iv. They accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions or actions or omissions of their child;
- v. They will be responsible for their child throughout the event and during the time that they are competing;
- vi. They grant full permission to the organisers to use any photographs, videotapes, motion pictures, website images, recordings or any other record of their child at the event, as outlined in section 3 of this document.

16- and 17-year-olds

Young people aged 16-17 years old are assumed to have autonomy over their decision making and do not require parental permission to enter an event. However, by entering this event confirm that you have consulted with your parent/carer/guardian and they are aware of your participation and entry into this event.

Fun Run

There is no minimum age for this event. However, children under 10 should be accompanied by an adult. For children under the age of 16, a parent /guardian must always be present (although not necessarily participating themselves) at the event a child is participating in. Without a parent or guardian present, the child will strictly be unable to participate in the event.

For children under 16, the parent or guardian grants full permission to the organisers to use any photographs, videotapes, motion pictures, website images, recordings or any other record of their child at the event, as outlined in section 4 of this document.
